## **THEME**

The bowling theme this year in true Maritime fashion will be you are ship mates on a fishing boat!

We will also be doing a gutter ball ticket draw at the award presentation.

Make sure you bring quarters because every time you put a ball in the gutter it will cost you 25 cents!

A large jar will be present during the games so you can toss the coins into it.

We will give everyone 1 ticket at dinner and the winner will receive all the money in the jar!
